

# INTERNATIONAL WEB CONFERENCE

23 24 novembre 2006  
VENEZIA C.po della Chiesa n.3

Health, Environment and Justice: Cancer and the Environment, and the International Legislative Protection of Ecosystems

**Links:** Bamako (Mali), Bhopal (India), Buenos Aires (Argentina), Chicago and New York (USA), Goteborg (Sweden), Johannesburg (South Africa), Ljubljana (Slovenia), Montevideo (Uruguay), Nairobi (Kenya), Quito (Ecuador), Sao Paolo (Brazil), Vigo (Spain)

## THEMES

### 1 Mining and Sustainable Development

Asbestos, an unresolved problem:  
Africa, Europe and Institutions compare cases

### 2 The alteration of resources and unlivable cities

Marginalised, malnourished poverty stricken children:  
from denunciation to healthcare and sociocultural assistance  
Europe, Africa and America compare cases.  
From the plundering of cities to the rediscovery and valorisation of  
cultural heritage: the "Thessaloniki case" and points from theses

### 3 Great environmental disasters.

Bhopal : a lesson for the future  
Colombia and the Amazon: two impending threats

### 4 Safeguarding biodiversity, human health and Earth:

the Uruguay river, a heritage to protect
